Blessed DayCare Discipline Policy

Provider's Name: Onaolapo Edith

Policy Statement: We believe that praise and positive reinforcement are effective methods of behavior management of children. When children receive positive discipline which focuses on prevention, redirection, love, consistency and firmness, nonviolent and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities and self-discipline. Based on this belief, Blessed Day Care uses a positive approach to discipline and practice the following discipline and behavior management techniques.

It is very important a child's development is nurtured through caring, love, patience and understanding. These rules are better followed with inputs from the children. When new children join/start Blessed DayCare, the rules are revisited to allow each child's input. These new rules that the children help make are then enforced in care as every child is aware of them as they help make the rules. The children are then expected to follow these rules. We create the visuals of each rules with English and Spanish translations.

We use self-reflection sheets in the calming area to help each child think about what they could do better to resolve problems and we use a patience sticker to teach kindness, taking turns, empathy, patience and using please and thank you while asking for a toy or material from another child.

Please keep in mind that there WILL be disagreements between children because young children have a hard time expressing their feelings, sometimes they may hit, throw toys, bite, etc. which are inappropriate behaviors. However, while caring for your child(ren), I may have to respond to these inappropriate behaviors as they are not permitted; these includes hitting, kicking, spitting, hostile verbal behavior and other behaviors which will hurt another child. We stress two main patterns of behavior: respect for self, respect for other people and respect for property. Positive discipline helps children to develop; 1) self-discipline, 2) responsibility, 3) cooperation, and 4) problem solving skills.

We do the following for children in care:

- We Set children up for success by developing routines schedules and planned activities with a back-up, so the children are involved in constructive activities and interacting positively throughout the day in care.
- We establish simple, clear, consistent rules as simplicity and consistency are key elements to preschool children learning appropriate behavior.
- We offer limited choices to children in care as offering a few choices is a good way to teach decision-making, while allowing the children's input into their day.
- We ignore negative attention-seeking behaviors because when you address negative attention-seeking behaviors, you are rewarding these behaviors, and they will only continue.
- We reinforce positive behavior by giving lots of attention to children who are behaving in ways that are appropriate.
- We use redirection as we create another activity or event to draw a child's attention away from inappropriate behavior.

Blessed DayCare Discipline Policy

Last Updated 02/01/2020

- We show appropriate ways of seeking attention as biting and hitting often indicate a need to communicate. So, we demonstrate appropriate ways to communicate and get attention, like a gentle tap on the arm.
- We offer alternatives to undesirable behaviors by modelling appropriate behaviors such as negotiating for a toy instead of grabbing it.
- We reward children for achieving as when a young child has several triumphs at changing a behavior, we take a moment to tell that child that
- we noticed the change and when a young child makes the effort to do the right thing, we recognize the effort with a kind word, a hug, or a sticker.
- We reward children just for being themselves. We offer children rewards in an effective, positive way.
- Since it is critical to separate our response to inappropriate behavior from our response to the child. We make sure to clearly tell the child that he or she is liked, but not the behavior, and ask that the behavior be changed.
- Intervention and Discussion. If a discipline problem arises that does not respond to the above-mentioned techniques for example anything that can be termed as very disruptive or harmful behavior to oneself or other children, I will discuss the issue with you privately. If the situation can be resolved, the child may remain enrolled. If we are unable to resolve the issue, you may be asked to make other childcare arrangements for the safety and wellbeing of everyone. As a parent, you may have some concerns or wish to offer suggestions. Using the lines below, we may modify the above plan with agreed upon suggestions.

Child's Name

Date of Birth

Additional techniques to be used with my child:

Note: If, at any point, there is an indication/suspicion that your child may have special needs, we will inform you and with your permission contact your family physician or refer you. My signature below indicates that I have received a copy of the discipline policy, it has been reviewed with me, and I have read and understand this policy.

Blessed DayCare Family Handbook Addendum 2

Last Updated 12/01/2021

Blessed DayCare Family Handbook Addendum 2 (Vacation/PD/PreK 45-60 Days Compulsory Termination Notification)

As we plan for a successful 2022 school year, we received feedback from parents from 2021 school year and have decided pending when we review the Family Handbook to merge all Addendums in, to send this to all parents on our contract. On the last day of 2021, we would start to send quarterly newsletter with tentative quarterly calendars to go with it. This is to help you with your planning. Just like the summer school that you could hold spot for that period for your child with 50% of your contracted tuition or terminate your program if preschool aged and if PreK give us a 45-60 days' notice so that the PreK could still cover your child's tuition to avoid you paying out of pocket or using your deposit, you would need to wait till we return from our vacation to submit a termination notice that we would honor and process. We would not accept a termination notice once we have published and emailed all parents our quarterly newsletter with quarterly calendars. As we pursue higher rating, renew highest quality, and become certified teacher in Maryland with triple degrees in Early Childhood Education, Elementary Education and Special Education, we realized that we have worked too hard and would continue to learn to teach your child uniquely and upgrade our developmentally appropriate toys for each age group as we run a mixed aged group (preschool and PreK classrooms)! As we employ an additional staff member, we want stability and do not intend to make our tuition unaffordable to parents who truly need our highest quality program and the flexibility and peace of mind that we offer them and their entire family always!

Amid this National Health Emergency like covid 19 or any State or County Epidemic/Pandemic, we will be keeping our Child Care program open for as long as possible. If we are opened and you decide to keep your child or children away from our program, we would still charge you our normal rate. If you have concerns about this new policy update and addendum, please talk with me or us. We have tried to accommodate as many families as we can, but we do need to keep our present families and ourselves safe from anything serious going on in the world today.

If you do not agree to receive our quarterly newsletter with the quarterly calendar please circle "I DO NOT," print your name, sign, and date so we do not send you quarterly calendars and only send you the newsletter and notify you two weeks before our annual vacations and 1-2 days before any PD (professional development) in line with your present contract in place. If you want us to send you both the quarterly newsletter with the quarterly calendar then circle, I DO then kindly print your name, sign, and date this addendum and return to us this Friday 12/17/2021 or at the point whenever you enroll your child into our program after this date.

Blessed DayCare Family Handbook Addendum 2

Last Updated 12/01/2021

These below would apply to you as a parent:

- ✦ If you had paid in advance (your last month or two weeks of care deposit), we would apply the money to care to cover the weeks that we were closed for our annual vacation/PD and issue your receipt once we reopen. And we would fill your spot within the contracted time that we are supposed to fill up your spot. If in PreK classroom, we would notify the FCCA of MD and remove your child from their enrolled list after 45 days. And if Scholarship Approved child in either classroom, after 60 days we will stop sending your child's attendance to CCS Central 2 if you owe us or did not sign the change of provider form because of this/anything else!
- ✦ If you had not paid your child's tuition in advance nor preschedule your child's weekly or monthly tuition, we would charge you our normal rate and you would need to pay up and would be issued your receipts once we reopened. And we would fill up your child's spot in line with your contract.
- ✦ Termination notice would not be accepted at this time until we reopened so you would send your termination notice if you would no longer need care on the day we reopened back from this annual vacation or PD back to Blessed DayCare. If you have concerns about this new policy, please talk with me or us before signing this addendum.

Kindly acknowledge that you have received, read, and understood this "Blessed DayCare Family Handbook Addendum" by appending your name, signature, and date below. Thank you! Updated and signed by *Edith Onaolapo* (#254026) on 12/01/2021.

Circle one of the options below that applies to you;

I DO NOT want to receive the quarterly calendar with the tentative quarterly newsletter, I rather get notified 2 (two weeks) before any vacation then I would plan to resume back after that, and termination notice would not be accepted at that time till Blessed DayCare reopens back.

I DO want to receive the quarterly calendar with the tentative quarterly newsletter, at that point I would plan to have alternative care for my child till Blessed DayCare reopens back or plan my annual vacation with this date 3 months ahead. All tuition is due on prescheduled payment dates to avoid daily default fees charged to your account in addition to your contracted weekly/monthly tuition.

Blessed DayCare Nutrition Policy

Blessed DayCare Nutritious Meals/Snacks

Nutrition Policy: It is important to offer children healthy and nutritious food choices because healthy and nutritious food choices are very important to children's growth and development because when children are healthy, they can come to care every day, they can play and have loads of fun as they play. their bones are strong, and they can achieve each milestone and be safe too! Healthy children grow very well and can understand whatever is been taught during activities time! Healthy children are always energized and so can participate fully in childcare activities and have fun. Healthy meals help children to be fully engaged in all childcare activities, concentrate and stay focused all through the day and to take naps at naptime too! Our program provides all snacks and meals in care - Breakfast, Lunch and PM Snacks in care and parents are aware that no outside meals or snack are allowed into care. Blessed DayCare also provides individualized sets of cutlery for all children in care! In our program, we promote healthy snacks and foods by; providing healthy and nutritious meals in-line with the Child and Adult Care Food Program (CACFP) in partnership with USDA -the United State Department of Agriculture) guidelines and so sugar is not allowed in care including candies and soda as birthdays are celebrated with healthy snacks like 100% whole grain crackers and fresh fruits and/or vegetables.

Blessed DayCare serves fresh fruits and/or fresh vegetables at least twenty times per week; serves 100% whole grains at least ten times per week; serves low fat yoghurt (2-4 times a week), does not provide any food with sugar in care, does not serve fruit juice in care because of the high sucrose/sugar content, and uses butter with no salt in preparing meals during lunch once or twice in a week only (to reduce the amount of salt in the children's lunch per week) in care. We serve; fresh fruits, fresh vegetables, milk (whole milk for 12-24 months old and 1% fluid milk for 2 years and above), 100% whole wheat, 100% whole grain rice, 100% whole wheat pasta, 100% whole grain pasta, 100% whole grain crackers, 100% whole wheat bread and 100% whole grain bread in care daily which helps the children to grow healthy and stay healthy. When children in our program have special dietary needs, we in Blessed DayCare make sure that children with food allergies or special dietary needs are accommodated by giving parents a copy of diet modification form to give to their child's physician or doctor to fill out and return so that it can be approved by the planning council, and we provide the approved meals in care for them.

Other helpful information about our program's nutritious meals and snacks policy includes: we have fliers from Women, Infant and Child (WIC) and other ones like building for the future that was given to us to share with parents, we also have some pamphlets in care that are given to parents during the tour appointment to enroll children into Blessed DayCare. These are given to parents to let them know what their child/ren will be eating in care daily and if they have any suggestions to give us regarding healthy meals that their child/ren is/are already used to eating at home. Blessed DayCare tell all parents; that we

Emergency Preparedness in Blessed Day/Child Care "Home": Developed Plan
Letter to Parents

Blessed Day Care:

01/01/2021:

Dear Parents,

Our Child Care "Home" philosophy is to keep your child(ren) safe always when he/she is in our care. With recent world and local events, we have developed an emergency plan that will be put into place if special circumstances require a different type of care. Plans for these special types of care are reviewed annually. Staff is trained in the appropriate response and local emergency management is aware of these plans. The specific type of emergency will guide where and what special care will be provided.

- **Shelter at the site** – This plan would be put into place in the event of a weather emergency or unsafe outside conditions or threats. In this plan, children will be cared for indoors at the "Home" and the "Home" may be secured or locked to restrict entry. Parents will be notified if they need to pick up their child before their regular time.
- **Evacuation to another site** – This plan would be put into place if it is not safe for the children to remain at the center. In this situation, staff has predetermined alternate sites for care. The choice of site is determined by the specific emergency and what would be an appropriate alternate site.
- **Method to contact parents** – In the event of an emergency, Blast text messages will be sent to parents, parents will be called, a note will be placed on the door, and radio/TV stations will be alerted to provide more specific information. You can also check for information on our website; www.blessedaycare.com or call our main office at 410-559-6192. Depending on the distance from the "Home", the children will walk if feasible or be transported to the alternate site.
- **Emergency ends/reuniting with children** – When the emergency ends, parents will be informed and reunited with their children as soon as possible. The contact methods listed above will be used to inform parents.

The purpose for sharing this information with you is not to cause you worry, but to reassure you that we are prepared to handle all types of emergencies in a way that will ensure the safety of your child(ren). In the event of an actual emergency, please do not call the "Home" – it will be important to keep the lines open. If you have questions regarding this information, talk with the "Home Owner" or Substitute.

Sincerely,

Edith O. Onalapo
